IN RE: Application of Cherry Communications, Inc. )  
for a Certificate of Public Convenience ) ORDER  
and Necessity to Operate as a Reseller of ) GRANTING  
InterLATA (1+) Telecommunications Services ) REQUEST  
Within the State of South Carolina. )

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Commission Staff for an extension of time to pre-file its testimony and exhibits in this docket.

Our Order No. 94-1040 required the Commission Staff and/or any Intervenor to pre-file testimony and exhibits on or before February 1, 1995.

It has come to the attention of the Commission that the Commission Staff has been meeting with representatives of Cherry Communication on this case and Staff has made known to us that Cherry wishes a continuance of the hearing in its case, and also is going to request the ability to file supplemental direct testimony in this docket. Staff has stated that it would like an indefinite extension of time in which to file its testimony and exhibits so that it may properly respond to all of the Company's testimony once it is filed. This appears to be a good reason for an extension and

the Staff is hereby granted an indefinite extension of time in which to file its testimony and exhibits and serve these on the parties. This Order shall remain in full force and effect until further Order of the Commission.
